- 2 343.14 (2) (j) of the statutes; **relating to:** notice of the fee for identification

Analysis by the Legislative Reference Bureau

Under current law, as created in 2011 Wisconsin Act 23, the Department of Transportation (DOT) may not charge a fee to an applicant for the initial issuance, renewal, or reinstatement of an identification card if the applicant is a U.S. citizen who will be at least 18 years of age on the date of the next election and the applicant requests that the identification card be provided without charge for purposes of voting.

This bill requires DOT to include, on application forms for identification cards, a statement that there is no fee for the initial issuance, renewal, or reinstatement of an identification card if the applicant is a U.S. citizen who will be at least 18 years of age on the date of the next election and the applicant requests that the identification card be provided without charge for purposes of voting. In addition, DOT must advise any person inquiring about issuance of an identification card that identification cards may be available without charge for purposes of voting. ✓

Please review the attached draft carefully to ensure that it is consistent with your intent.

The attached draft largely duplicates 2011 AB-226, but also adds language from an amendment to ASA2 to AB-7 (LRBa0979/1) that I previously prepared for Rep. Young. The attached draft could also be prepared as an amendment to AB-226.

Please let me know if you would like any changes made to the attached draft or if you have any questions. If the attached draft meets with your approval, let me know and I will convert it to an introducible "/1" draft.
